Objective

To leverage my expertise in Python programming, networking protocols, and IoT solutions in an industrial role where I can contribute to innovative projects and further develop my technical and problem-solving skills.

About Me

Electronics and Communication Engineering graduate with over two years of experience as a Technical Trainer in Python, Networking, and IoT. Skilled in designing and delivering hands-on training programs, troubleshooting technical challenges, and developing structured learning materials. Adept at mentoring learners and helping them gain real-world technical skills. Passionate about applying engineering and training expertise in innovative projects.

Experience

Ethnotech Academy

As Subject Matter Expert *August 16, 2022 – Present*

→ Defining course layouts and preparing training materials.
→ Delivering classes with hands-on exercises in Networking, Programming, Electronics, and Development Subjects like in Flutter, Flask, and IoT-based applications.

Face Prep

As Associate Trainer *February 2022 – August 2022*

→ Delivered programming classes in various colleges.
→ Conducted sessions on C and C++ based on program requirements.

Skills

→ **Programming:** C, C++ and Python
→ **IoT & Electronics:** Embedded C, Raspberry Pi, Arduino and OpenCV
→ **Networking:** Nmap, Wireshark and Packet Tracer
→ **Web Development:** HTML, CSS and JavaScript
→ **Version Control:** Git
→ **App Development:** Flutter and Flask

Projects & Publications

Bird Repeller for Agriculture and Orchards

ICASPCT - 2022, OP Jindal University - Chhattisgarh, India

→ Developed a deep learning-based bird and animal detection system to protect crops.
→ Implemented a DNN object detection algorithm trained on the COCO dataset for precise identification.
→ Deployed an automated threat sound system to deter animals, improving efficiency over traditional methods.
→ **Publication:** AIP Conference Proceedings

Certifications

→ **Pearson IT Specialist -** Python Programming
→ **Cisco -** IoT

Education

SRM TRP Engineering College

B.E. Electronics and Communication Engineering

2018 - 2022 | CGPA: 7.75 / 10
